

## Get the Look!

Illustrating a truth of [Beholding the True Image](#) (Main Healing Lesson 8)

The secret to keeping a positive emotional state (peace, joy and confidence) is learning how to see in Jesus the very thing you NEED to see in Him in order to get your trust restored. We call this "Getting the Look that Gives the Shift." What gets your focus gets you. Since the enemy has proven himself to be all too adept at getting our eyes off Jesus and stuck on problems, pain and personalities, let's refocus on getting really good at getting our eyes back on Him. **The rule is "Eyes off? Eyes ON!"**
