

One Addiction, Three Lies

Illustrating a truth of [No More Idols!](#) (Main Healing Lesson 22)

Satan is a liar from the beginning. His lies are very convincing and once they have had a chance to impact our feeling system, they become powerful strongholds within us. Our task is to recognize and renounce those lies, carry them captive, and then come into agreement with God's truths (2 Corinthians 10:4-6). This is war so be prepared to go to battle stations at a moment's notice. Don't tarry in the pig pen like the prodigal did—race to your Father at the first sign of weakness. ***Learn to let your place of disgrace reveal your Father's greater grace!***
